Edward J. Bernica, M.B.A.

Edward J. Bernica is a financial and operations management executive with expertise in capital markets, process management, strategic planning, operations, and mergers and acquisitions. His achievements include raising more than \$4 billion in the long-term capital market, and turning around and re-financing a struggling \$50 million company. An entrepreneur himself, Mr. Bernica brings to the UEP special knowledge of financial and operations services within the energy, utilities and tech sectors. He previously held executive positions with ACT Teleconferencing in Denver, Energy West in Great Falls, and U.S. West International in Englewood, Colorado.

Mr. Bernica holds an M.B.A. from Creighton University and a B.S. in electrical engineering from the University of Kansas.
